Dear Member,

NFRCC is offering your business an opportunity to advertise while at the same time supporting your chamber and community in it's efforts to increase foot traffic and patronage to your business. We know that the events held in our region have a direct economic impact to surrounding businesses, communities, cities and counties.

We work very diligently to plan events that will increase visibility for your business. It is our hope and our desire that you as a member increase the volume of business you do as a direct result of our efforts. Please participate in welcoming our visitors to our community and plan specials and advertise to those that may only be in our region for the day, they may become your best repeat customer.

Enclosed you will find a schedule of sponsorship opportunities. As a member of the chamber this is a unique way for you to become more involved in our chamber events with the maximum amount of exposure for your business. We will offer you a series of advertising levels to match even the most thrifty budget.

We appreciate the support monetarily and in kind, that is given to us as we host this event. Please review the sponsorship schedule and choose a level that best fits your budget. If you have any questions, contact us at the North Florida Regional Chamber of Commerce (904) 964-5278.

We thank you for your support and look forward to hearing from you soon.

Sincerely,

Pam Whittle, IOM
President / CEO
North Florida Regional Chamber of Commerce

The Sounds of Freedom Fest
October 01 & 02
